

RENT A LAB WIREFRAME

28. Mart 2025.

Fakultet elektrotehnike Tuzla

Autor: Faris Alić

IZVJEŠTAJ

RENT A LAB:

Ovaj izvještaj predstavlja trenutni stadij razvoja mock-upa '*Rent a Lab*' web stranice. Cilj je prikazati dosadašnji napredak te naglasiti da dizajn nije konačan i da je podložan izmjenama i iteracijama.

Trenutno su završeni osnovni layouti i vizualni elementi za ključne sekcije web stranice. Struktura stranice je definisana mada je i ona podložna potencijalnim dodatnim poboljšanjima a korisnički interfejs je za korisnike vrlo jednostavan i intuitivan. Generalno, fokus je stavljen na jednostavnost i intuitivnost.

Preostali zadaci i planirana poboljšanja:

- Izrada wireframe-a za preostale aktivnosti koje trenutno nedostaju,
- Dodatno potencijalno poboljšanje korisničkog interfejsa i korisničkog iskustva na osnovu povratnih informacija.

Mock-up je u fazi razvoja i trenutno ne predstavlja konačno rješenje i isti će biti podložan promjenama kako bi se zadovoljili svi funkcionalni i vizualni zahtjevi. Preostali elementi će biti završeni do kraja nultnog sprinta, nakon čega slijedi detaljnija evaluacija i eventualne dodatne dorade prilikom razvoja sa ciljem da se iste svedu na najmanji mogući nivo.

U nastavku vam predstavljam trenutno odrađen posao na definisanju Wireframe-a za neke od aktivnosti u našem '*Rent a Lab*' projektu:
